Licensing Agreement

Licensing Agreement for (_____)
song title

For good and valuable consideration, receipt of which is hereby acknowledged, Owner (www.freemusicpublicdomain.com.) hereby grants to (Client) the right, but not the obligation, to incorporate the song described above in any manner Client sees fit in the production tentatively entitled (_____) only and to use and authorize others to use the song as so incorporated in the Production in the distribution, sale, licensing, marketing, advertising, promotion, merchandising, exhibition and other exploitation of the song in perpetuity, worldwide in any media currently known or later devised. These rights are non-exclusive. All other rights are reserved by the Owner.

In full consideration of all rights granted herein, Producer agrees to pay to Owner and Owner agrees to accept, a fee of \$25 US Dollars payable in full within ten (10) business days of initial airing or sale of the Production containing the song provided mutual execution of this license.

Owner warrants and represents that Owner has the right to grant all rights granted herein and Client and or Company's use of the song as permitted herein will not infringe on the rights of any third party.

Owner waives claim to any compensation from Client for use of items noted in this licensing agreement. This release applies to any and all media and related usage in any future forms, and in any location.
